**Corona virus threat: Nordic Flanges Group advisory information**

Dear customers,

TUBE are postponing the international No. 1 trade fairs for the wire, cable, tube and pipe in Düsseldorf due to the recommendation of the crisis management team of the German government.

The Nordic countries are still unaffected by any major corona virus outbreak or quarantine restrictions.

Nordic Flanges Group produce all our products in our own factories in the Nordic countries. Our raw material suppliers are Nordic so we are not dependent on any non-Nordic supplies to support our production. We have well filled stocks of standard and special flanges in all types of stainless materials, carbon steel and aluminium. We distribute flanges and fittings, custom made flanges and customized products with short lead times and we ship our products directly from our factories to you

Please don't hesitate if Nordic Flanges Group can support your business in any way during these difficult and uncertain times!
