Stockholm December 10:th, 2018

Dear customers,

November ended as another successful month with growth in both order income and invoicing.

It's time to slowly wrap up this year and all that we have achieved. Here are some of our high lights:

- New innovation – ProQ, our pressure-approved aluminum flange
- New sales people have been employed – increasing our daily contact with our customers
- A new forging furnace has been installed at Nordic Flanges
- New high tech plasma cutters have been installed at Ferral Components and at Nordic Flanges
- Approved certifications acc. to ISO 9001:2015 and ISO 14001:2015
- Renewed approval NORSOK QTR's
- Creation of the 'Nordic Quality' customer concept
- Our Growth Team has been established
- Key positions have been filled such as Sales Director, Production Manager and Strategic Sourcing Manager
- Implementation of our new ERP system-MONITOR has started to be implemented at all three factories
- Planning and preparations for the movement of our stock from Järna to the factory in Örnköldsvik coming spring

I look forward to a successful 2019 and I wish you all a Merry Christmas and a Happy New Year!
